Play like a pro

Alliance ProAm competition

Do you dream of not just standing in the front row and watching the action unfold at a tour event, but standing on the green and battling it out for the trophy yourself? The Alliance Pro-Am competition at the Swiss Seniors Open makes it possible. In addition to individual pro rankings, a team competition (with teams comprising one tour pro and one amateur) will be played on Friday and Saturday. Take this opportunity and book your place on the green.
